Dear Mr. Sulc:

Thank you for your recent letter advising me of the Hale Foundation's effort to have the first week in June declared "National Intelligence Community Week" by the U.S. Congress.

Regrettably, it is inappropriate for the Central Intelligence Agency or any other element of the Intelligence Community to participate in seeking legislation or lobbying for public recognition of the Intelligence Community. I will be happy to make my Public Affairs Office available for consultation in scheduling unofficial events commemorating the American Intelligence Community during that week should you wish. However, I believe that we lack the resources to engage in the program of public events that you have in mind.

I am grateful for the fine work the Nathan Hale Foundation is doing on behalf of the men and women who serve in the American Intelligence Community and wish to commend you for your initiative in this endeavor.

Sincerely,

/s/ William J. Casey

DCI:

The Hale Foundation has proposed legislation to designate the first week of June (June 1 - 7, 1986) as "National Intelligence Community Week." At present, the foundation is seeking cosponsors in the House in order to discharge the measure from committee for floor votes in time to arrange appropriate events. They have requested your support in obtaining Congressional cosponsors.

The Hale Foundation's sole objective is to enhance the capability of United States intelligence to serve the fundamental objectives of our nation's Constitution. We view this much the same way as we view the museum for intelligence. The Agency is in favor of it as a private initiative undertaken by the Hale Foundation. However, we are in no position to lobby for legislation or otherwise assist the Hale Foundation.

Attached is a letter that we have prepared for your signature. If you agree, please sign the attached.

The Honorable William J. Casey
Director of Central Intelligence
Washington, D.C. 20505

Dear Mr. Casey:

The Hale Foundation, an independent advocacy organization, has proposed legislation to designate the first week of June (June 1-7, 1986) as "National Intelligence Community Week." Identical resolutions have been introduced in the House and Senate sponsored by the chairmen and ranking Minority Members of both Congressional intelligence committees. In the House, the measure is numbered H.J. Res. 527 although in the Senate it has no number yet.

The Hale Foundation is seeking cosponsors in both Chambers to discharge the measure from committee for floor votes in time to arrange appropriate events. We would be delighted to have a Presidential proclamation preceding "National Intelligence Community Week."

H.J. Res. 527 is non-partisan, patriotic, and, in the opinion of The Hale Foundation, highly desirable. Can we count on your support in obtaining Congressional cosponsors and in scheduling appropriate events to commemorate "National Intelligence Community Week?"

Sincerely,

Lawrence B. Sulc
President

Bob:

1. Background: The DCI on 1 May 1986 sent a letter to the Hale Foundation thanking it for the work it is doing, but pointing out the inappropriateness of the Central Intelligence Agency's cosponsoring a National Intelligence Community Week. The Deputy Director of Public Affairs, CIA, has suggested that this letter should be distributed to NFIB principals. (Reference B)

2. Recommendation: The suggestion is eminently reasonable.
